About WineStyles

WineStyles, a national franchise demystifying the wine shopping experience, makes it simple and easy to find that perfect bottle. Designed like an old-world wine cellar, the store is organized by color and style (whites – crisp, silky, rich and bubbly; reds – fruity, mellow, bold and nectar), instead of varietals and regions. In addition, each bottle is accompanied by a description listing the wine’s characteristics, flavors and suggested food pairings, simplifying the shopping experience. Each WineStyles carries 150 wines ranging from unique labels to hard-to-find wines from small and large vineyards from around the world. Moreover, all of the wines are priced at \$25 or below. WineStyles stores host wine tastings two-to- three times a week to give customers the opportunity to sample many of these great wines.

Consumers can also join the WineStyles Wine Club where each month two bottles of wine are selected and accompanied by tasting notes and suggested food pairings. In addition to wine, WineStyles offers a variety of accessories including customizable gift baskets and many wine related items. For additional information go to WineStyles.net.
